

My Favorite Things to Do Presentation - Google Assignment

Overview

For this assignment, you will create a presentation using Google Slides.

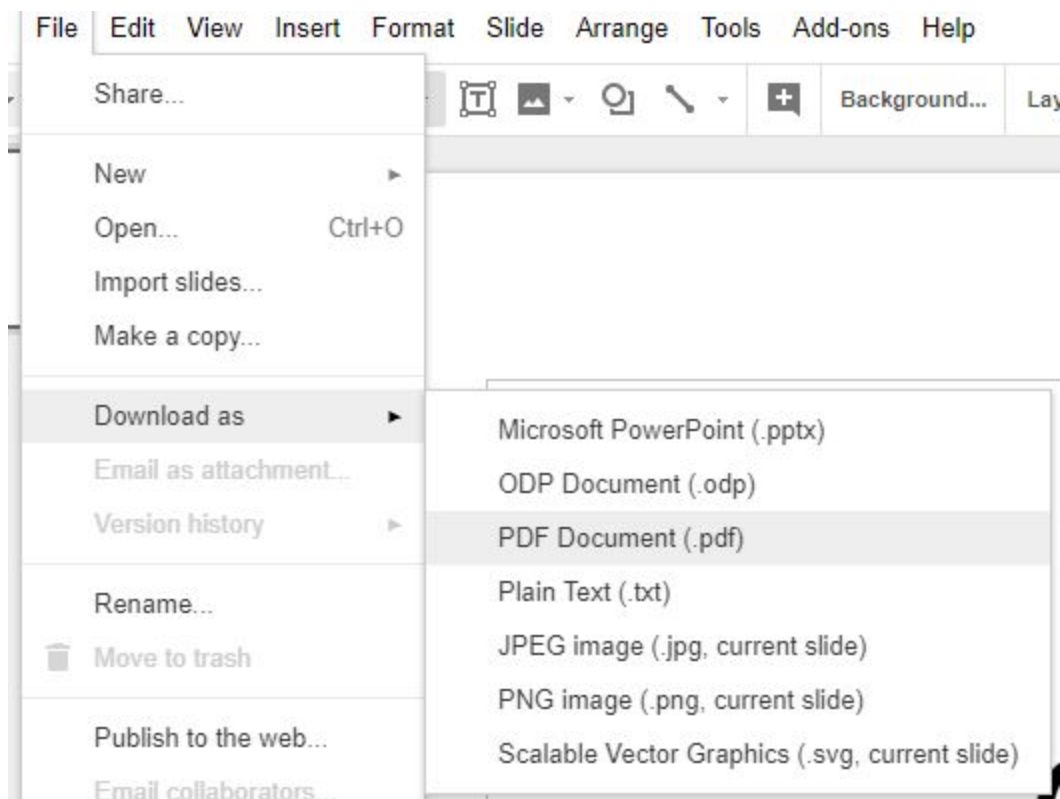

IMPORTANT: Before beginning this assignment, watch instructional video **4 Creating a Presentation with Google Slides** in [Google Drive Resources](#)

Assignment:

Use Google Slides and create a presentation entitled **My Favorite Things to Do - yourname**. The presentation should include at least one image and a link and have four slides.

Completing the Assignment:

1. After you have created the document, download the document as a PDF document. To do this, when you are in the slide show, click the **File** menu, choose **Download as**, select **PDF Document** and save it to your computer (see the following screenshot).

2. In Blackboard, for the assignment, **My Favorite Things to Do**, submit the PDF file you downloaded in the previous step
