

# Submit an Assignment in Blackboard

---

## Overview

For this assignment, you will submit an assignment using Blackboard Ultra. The purpose of this assignment is to give you practice on submitting assignments in Blackboard Ultra, and to let me know a little more about you. It is important that you learn to submit assignments correctly. You will have many other assignments this semester which you will submit in a similar fashion. There are three items you will learn to submit as part of this assignment: text, a link, and attachments.

## Assignment:

For this assignment, you are to submit the following items in Blackboard by following the steps described in this YouTube Video: <https://youtu.be/5Dpv9i0ELCA>

1. briefly **describe** what you'd like to learn in this class
2. provide **a link** to a favorite website you enjoy
3. Insert **two attachments** in the assignment: 1) a photo of yourself and 2) a photo of something important to you (your pet, for example, or a favorite food, book, etc)

**Important:** Be sure you first watch the video <https://youtu.be/5Dpv9i0ELCA>. I suggest you do the things described in the video **while** you watch it. Play around with it while you watch!
