

Business Plan Assignment

Overview

IMPORTANT: Before beginning this assignment, be sure you complete the assignment **Developing your Business Idea**

For this assignment, you are to create a “lean” business plan for your hypothetical business.

Assignment

1. Review the information at this SBA website: [Write your business plan](#)
2. Use the lean business plan template described in [Write your business plan](#) and create a “lean” business plan for your hypothetical business. To do this, you are to download Andrew’s Plan and edit for your business. **Notice there are two Andrew’s plans. Download the one at the bottom of the web page (Andrew’s Lean Business Plan).** The document should be no more than one page. Save your document as **Business Plan (lean) - Yourname**.

Submitting the Assignment:

1. In Blackboard, for the assignment **Business Plan Assignment** submit your **Business Plan (lean) - Yourname** document.
