

Using ChatGPT

Overview

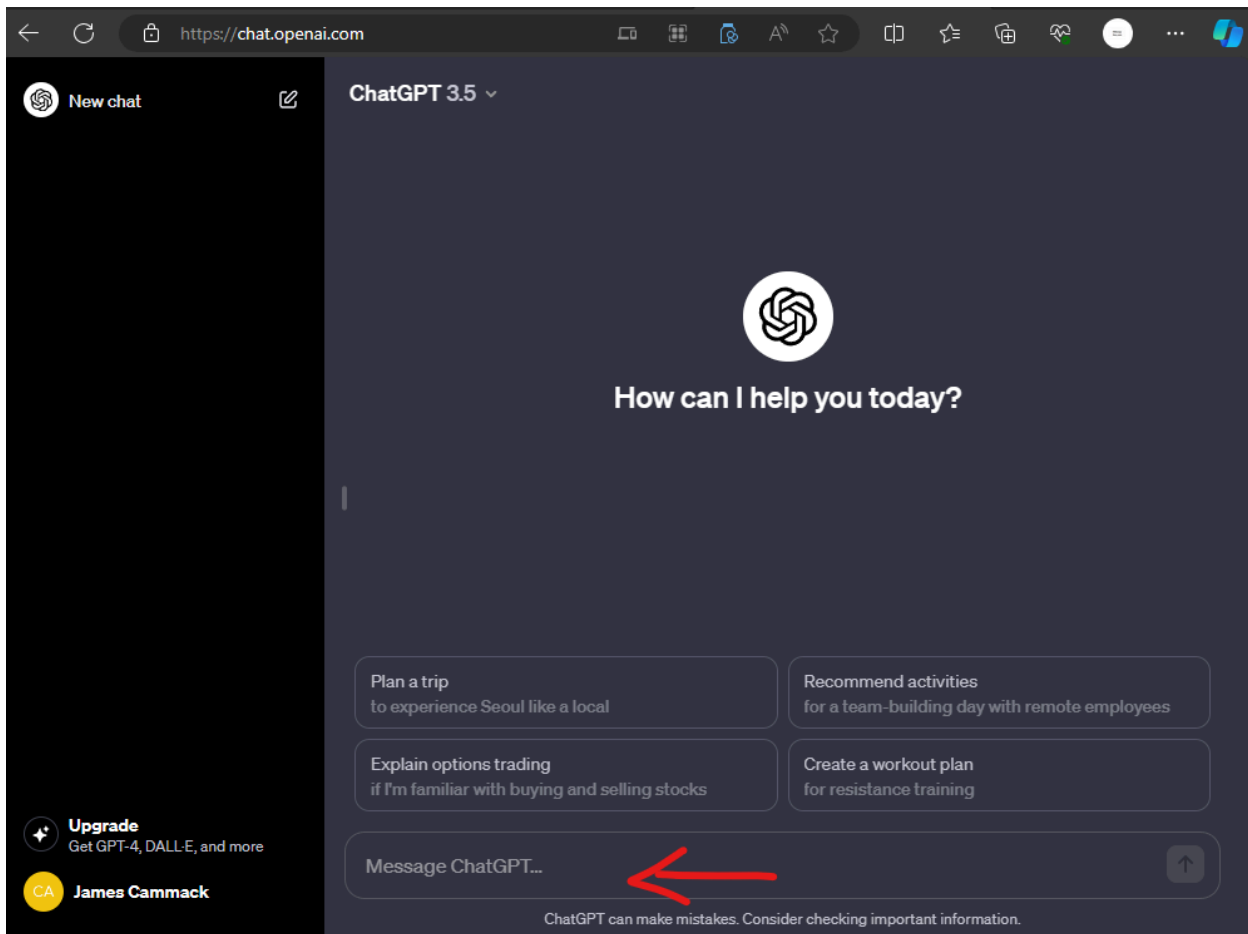

In this assignment, you will create an account with OpenAI to use ChatGPT.

Before Beginning this Assignment

1. Watch the video [Complete ChatGPT Tutorial - \[Become A Power User in 30 Minutes\]](#) You can skip the section from 21:00 to 24:00. As you watch the video, try doing similar things in ChatGPT yourself.
2. In Blackboard, take the quiz covering the video **Complete ChatGPT Tutorial - [Become A Power User in 30 Minutes]**
3. Read this article [Getting the most out of ChatGPT: These are the most useful prompts to make your life easier](#)

Assignment

1. Create an account at openai.com. This is covered in the video [Complete ChatGPT Tutorial - \[Become A Power User in 30 Minutes\]](#) (above), You may be asked to verify age, etc. After logging in, you can begin to message ChatGPT –that is, you will ask ChatGPT to provide answers to your prompts.

2. Provide prompts for the following. Copy and paste your prompt and the ChatGPT response into a Word or Google Docs document. Submit one Word document for each prompt. You will submit the completed documents, in Word format, when completed.
 - a. Write a one page poem about the Texas heat, in the style of Shakespeare. (name your document **Texas Shakespeare - your name**)
 - b. Write a one-page cover letter for [your name/address] to apply for a [give a job description of a job for which you would like to apply] here are my major qualifications [list a few qualifications] and why I'd like the job [list a few reasons why you'd like the job] (name your document **Cover Letter- your name**) Note: for privacy issues, do not use your real address
 - c. Simulate a job interview: use Prompt 4: Job interview simulations from [Getting the most out of ChatGPT: These are the most useful prompts to make your life easier | Euronews](#) Have ChatGPT give you at least 4 questions and you answer them interactively. Name your document **Interview - your name**. NOTE: you may have to add this to your prompt: do it again, but ask one question at a time and wait for me to respond
 - d. Write a text inviting your friends to your graduation party. In your prompt specify the date and time of the event. Name the document **Graduation - your name**

Submitting the Assignment:

In Blackboard, submit each of your documents for the assignment **Using ChatGPT**
